

REPORT: Biden Campaign Director Seeks To Hire \$120/k a Year Woke DEI Director

April 16, 2024

The Biden campaign has recently [made public](#) its intention to recruit a director for diversity, equity, and inclusion (DEI) with the primary responsibility of developing and implementing the campaign's DEI strategy.

The selected candidate will be compensated with a salary of up to \$120,000.

The recently announced online position offers a salary range of \$95,000 to \$120,000. The director of this function will be accountable for developing and implementing strategies related to diversity, equity, and inclusion (DEI) for the Biden campaign.

This includes training campaign personnel on DEI matters and perhaps influencing the campaign's hiring procedures.

“The DEI Director will focus on creating and executing a comprehensive strategy to attract and support diverse talent to further the campaign's commitment to diversity, equity, and inclusion. They will also be responsible for upskilling and further educating campaign staff around DEI.” the job listing explains.

The Biden campaign's choice to employ a Director of Diversity, Equity, and Inclusion (DEI) aligns with the Democratic incumbent's directive to the federal

bureaucracy to adopt and institutionalize the progressive agenda inside the policies of the federal workforce.

Former President Donald Trump has vowed to significantly reduce the power and influence of the administrative state by reintroducing an executive order known as Schedule F.

This order aims to eliminate civil service protections for bureaucrats who hold positions that have a direct impact on policymaking.
