Certainly not a perfect state by any means but certainly doing some things right….....**Only Oklahoma**

**I love everything about this article and certainly know none of this has been in the "media", for obvious reasons!**

Oklahoma is the only state that neither Obama nor Biden won, not even in one county, in their respective elections. While everyone is focusing on Arizona’s, Georgia’s, and Texas’ new laws, look what Oklahoma has been doing!!!

Oklahoma law passed, 37 to 9 an amendment to place the Ten Commandments on the front entrance to the state capitol. The feds in D.C., along with the ACLU, said it would be a mistake. Hey this is a conservative state, based on Christian values...! HB 1330

Just this month, the state has voted and passed a law that ALL driver’s license exams will be printed in English, and only English … no other language. They have been called racist for doing this, but the fact is that ALL of the road signs are in English only. If you want to drive in Oklahoma, you must read and write English. Really simple. By the way, the Liberals don't like any of this either.

Guess what … who cares … Oklahoma is doing it anyway!
