GENERAL

Sine Die

The House of Delegates and Virginia Senate adjourn today, finishing the 2026 legislative session. This week was a strong finish to a productive first session in office.

I am proud to say that 10 of my bills have passed through both chambers and are awaiting signature by the Governor!

Dolores Clara Fernández Huerta

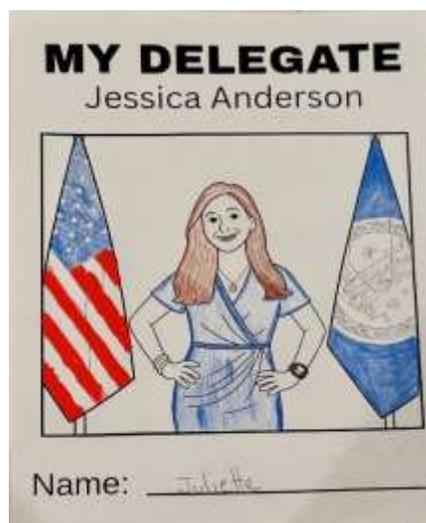

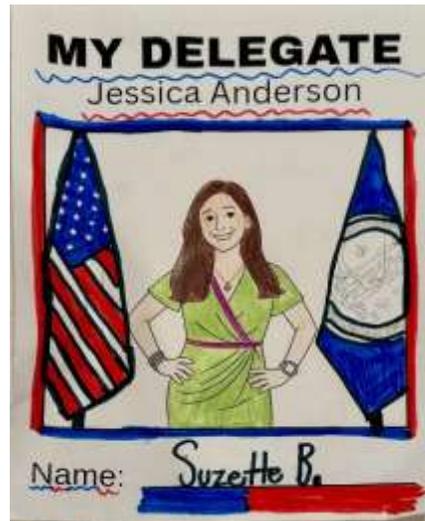

In celebration of Women's History Month, I spoke about Dolores Clara Fernández Huerta on the House floor on Thursday. Huerta was one of the most influential labor activists and leaders of the Chicano civil rights movement. She dedicated her career to organizing for better working conditions and representation for women and Latino Americans.
