American Bison pulling a couple around Sioux Falls, South Dakota 1885.
Wonder how long it took to train them to pull.

Once I went to a party with my husband, full of people he knew (from work) but I didn't. A guy came up to us, turned to me and said "You must be his wife." I turned to my husband and said "You have a WIFE?" Should've seen the guy's face!

Shortly after a British Airways flight had reached its cruising altitude, the captain announced:

"Ladies and Gentlemen, this is your captain. Welcome to Flight 293, non-stop from London Heathrow to New York. The weather ahead is good, so we should have an uneventful flight. So, sit back, relax, and... OH...MY GOD!"

Silence followed..... complete silence!.....

Some moments later, the captain came back on the intercom.

"Ladies and Gentlemen, I'm sorry if I scared you. While I was talking to you, a flight attendant accidentally spilled coffee in my lap. You should see the front of my pants!"

From the back of the plane, an Irish passenger yelled "For the luvva Jaysus, you should see the back of mine!"
