5FBC Inc. is a 501(c)4 non-profit established 2022 to:

- **Inform the electorate**
- **Promote voter registration and participation**
- **Advocate for the rights & voices of our community**

We do business in Virginia as Of the People.

Our Goal: Present the facts in "their" words, writings, guiding documents, and public discourse.

Our Promise: We don't deal in opinion – you can form your own.

Proposed Amendments to VA's Constitution

Redistricting: Allows the General Assembly the ability to redraw congressional districts mid-decade without regard to population shifts identified by the census.

Reproductive Freedom: Every individual can make and carry out decisions relating to one's own prenatal care, gender affirming care, pregnancy, contraception, and abortion access through the third trimester.

Voting could start in Feb. Learn More at 5fbc.org

Right to Marry: Repeals the current constitutional provision defining marriage as between one man and one woman. Prohibits government denial of a marriage license to two adult persons based on sex, gender, or race.

Voting Rights Restoration: Automatically restores voting rights to individuals with felony convictions upon release from incarceration – could still be on probation/parole. Removes application process and Governor's discretion.
