

**WILLIAMSBURG-
JAMES CITY COU**

REPUBLICAN COMMITTEE

***Dear Committee Members,
Below is an Introduction letter from Vincent Passero, running for WJCCRC
Chairman. Please take time to read his vision for the future of the committee.
Thank you, Jim***

Greetings,

Many of you may already know me, but for those who do not, I wanted to introduce myself. My name is Vincent Passero, and I am running for Chairman of the Williamsburg, James City County Republican Committee (WJCCRC).

I was raised as military dependent living in many locations around the world. My father was born in Richmond, Virginia and my mother, in Columbus, Mississippi. My Virginia roots date back to the First Redford's to enter the Virginia Colony in the 1660 and I am cousin to the Waltons, of Waltons' Mountain fame.

I retired from the Army at Fort Eustis in March of 2022 as a combat veteran with thirty-three years of service. I also have thirteen years in newspaper circulation; beginning with the Richmond Times Dispatch as a District Manager and culminating as the Circulation Director for the Ocala News Gazette in Kissimmee, Florida. I am currently the Planning Commissioner for the Powatan District, appointed by Tracy Wainwright and a member of the WJCCRC. I have resided in James City County from 2009 through 2014 in Grove and now Toano from 2015 to present. I am Roman Catholic and a lifelong Republican.

As evident from this past election cycle, the committee has faced many challenges. I have a plan for the committee to turn the organization into an action orientated entity. A few of the major points I will address here. We will fill all Vice Chair positions and appoint sub committees to address shortcomings in operational effectiveness. All members of the committee will be members of subcommittees. All members will have a stake in the Committee. We will not let ANY election run with out opposition to a Democrat candidate.

Our mission statement will be as outlined: To recruit quality candidates for all races, support the nominated candidate of the party exclusively, and drive voter turnout in all races to elect those candidates and advance the platform of the Party. Fundraising, committee recruitment drives, and social events will be essential to this mission. We must grow the Committee larger and younger. Community involvement must be at the forefront of that effort.

I am asking for your support for election as Committee Chair. I will be reaching out to as many of you as I can to personally ask for this support and answer all questions that you may have. My phone number is 863-458-8812, it is a Florida number.

Thank you in advance for your support,

Respectfully,
Vincent V. Passero III
